About Us

Essence PILATES

Pilates is a precision-based training system focused on core strength, body control, and mind-body balance. Guided by this philosophy, **DFX** PILATES develops scientifically engineered equipment to support posture correction, improve muscle endurance, and ensure safe, stable performance in professional training environments.

With a strong commitment to quality, functionality, and durability, we empower effective and reliable Pilates training—bringing confidence and control to every movement.

LTD. is a professional manufacturer dedicated to the design and production of high-quality Pilates equipment, integrating R&D, manufacturing, sales, and after-sales service.

We specialize in a full range of Pilates equipment, including maple, oak, beech wood series, as well as aluminum-frame models. Our products are widely used in Pilates studios, gyms, and yoga studios, and we also support OEM/ODM and private customization to meet different market and brand requirements.

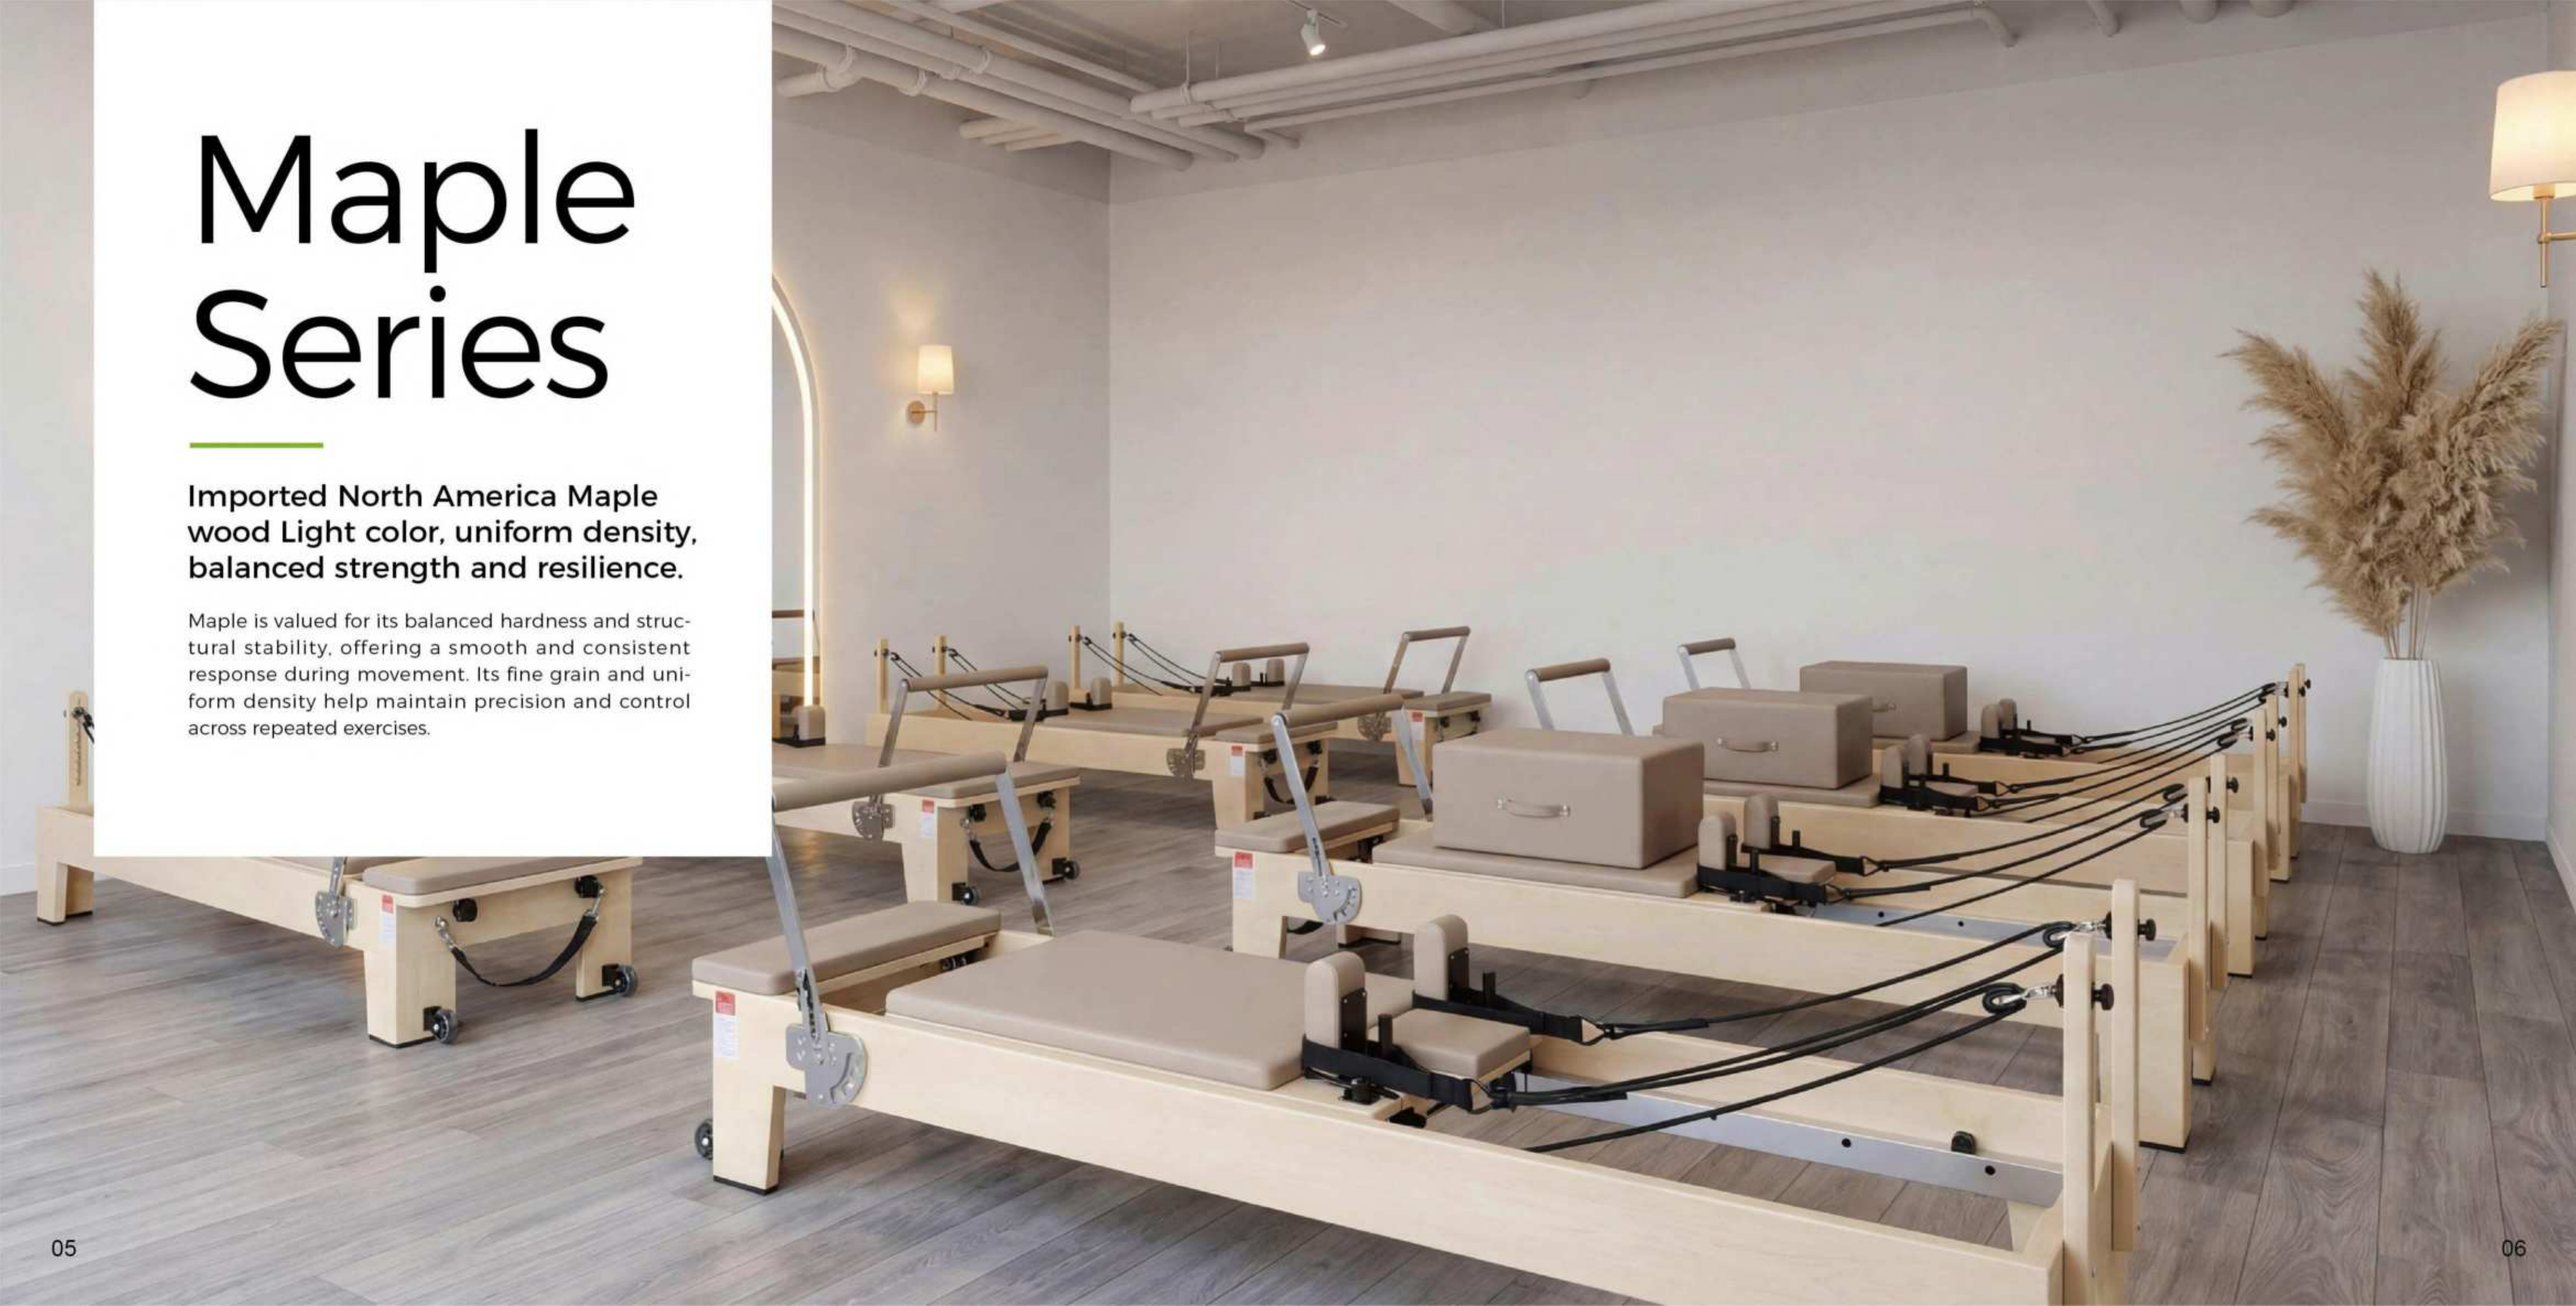
Maple Series

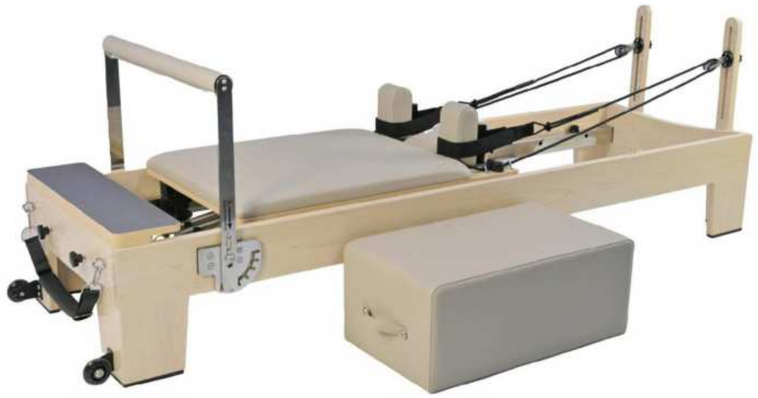
Imported North America Maple wood Light color, uniform density, balanced strength and resilience.

Maple is valued for its balanced hardness and structural stability, offering a smooth and consistent response during movement. Its fine grain and uniform density help maintain precision and control across repeated exercises.



Classical Maple Reformer

ITEM NO.
DFX PL001



1.Material	Maple
2.Metal parts	304 stainless steel or Aluminum
3.Spring	Imported from South Korea or Germany
4.Leather	Super fiber & color optional
5.Product size	2483*739*795 mm
6.Packing size	2540*790*510 mm
7.N.W./G.W.	105 kg / 125 kg

Top Classical Maple Reformer with Dowel

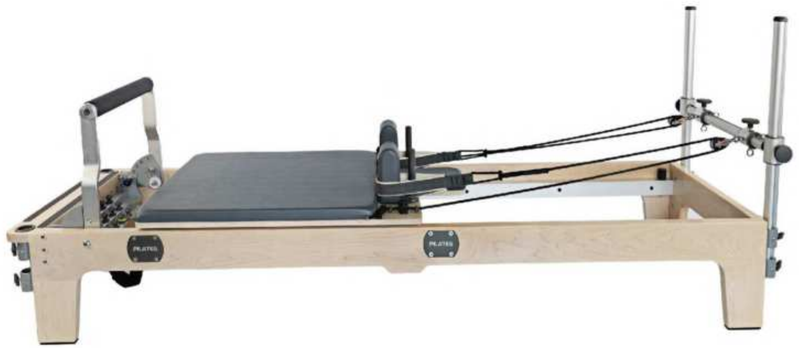
ITEM NO.
DFX PL001AP

1.Material	Maple
2.Metal parts	304 stainless steel or Aluminum
3.Spring	Imported from South Korea or Germany
4.Leather	Super fiber & color optional
5.Product size	2423*747*735 mm
6.Packing size	2545*785*550 mm
7.N.W./G.W.	103 kg / 143 kg

Elite Maple Reformer

ITEM NO.

DFX PL001BSA



1.Material	Maple
2.Metal parts	304 stainless steel or Aluminum
3.Spring	Imported from South Korea or Germany
4.Leather	Super fiber & color optional
5.Product size	2584*685*864 mm
6.Packing size	2420*870*500(550) mm
7.N.W./G.W.	105 kg / 125 kg

Inside Footbar Maple Reformer

ITEM NO.

DFX PL012

1.Material	Maple
2.Metal parts	304 stainless steel or Aluminum
3.Spring	Imported from South Korea or Germany
4.Leather	Super fiber & color optional
5.Product size	2370*690*760 mm
6.Packing size	2400*730*460 mm
7.N.W./G.W.	115 kg / 135 kg

Full Track Maple Reformer

ITEM NO.

DFX FL010F

1.Material	Maple
2.Metal parts	304 stainless steel or Aluminum
3.Spring	Imported from South Korea or Germany

ITEM NO.
DFX PL602FT

Oak Series

Selected oak hardwood
Deep grain texture, high strength and stability.

Oak is known for its high density, strong load-bearing capacity, and excellent wear resistance, making it a reliable choice for high-frequency commercial use. Its pronounced grain structure adds both visual character and structural strength.

Classical Oak Reformer

ITEM NO.

Aluminum Series

High grade aluminum frame Lightweight, corrosion-resistant, high load capacity.

Aluminum provides an optimal balance of lightweight construction and structural strength, with natural corrosion resistance that ensures long-lasting performance. Its rigid frame maintains precise alignment while reducing overall equipment weight.

Engineered with professional training standards in mind, the AOC Pilates Aluminum Series delivers smooth operation, responsive control, and reliable safety—ideal for modern studios seeking efficiency, flexibility, and a clean, contemporary aesthetic.
